

SANGLI MISSION SOCIETY invites you to run for a cause...

TATA MUMBAI MARATHON (TMM) 2018

Dear Friend,

I'd like to invite your attention to Sangli Mission Society and **Tata Mumbai Marathon (TMM) 2018**.

Tata Mumbai Marathon (TMM) 2018 is one of India's biggest platforms to raise funds for NGOs. The platform allows the NGO to raise funds through four different mediums-Charity Bibs, Corporate Participation, Individual Fund Raisers and Direct online contribution on the NGO page (100% of all funds received online are disbursed to the NGO). Through Charity Bibs an NGO can raise a considerable amount of funds against running slots. While there is a minimum base amount against each allotted Bib, there is no upper limit as to how much an NGO can achieve. **United Way Mumbai (UWM)**, the philanthropy partner for this event, promotes and facilitates fundraising using the TMM platform and *disbursement of donations* raised to participating NGOs. All funds raised through the TMM are channelized through UWM, which is responsible for accounting and providing tax exemption receipts to all donors.

Sangli Mission Society (SMS) www.sanglimissionsociety.org established in 1990, carries out various programs and projects with the purpose of lasting improvements and sustainable development of the disadvantaged and marginalized sections of society in Maharashtra mainly in four districts; Sangli, Kolhapur, Sindhudurg and Ratnagiri. SMS has engaged in various developmental and welfare activities like special education and vocational rehabilitation of Persons with Disabilities (PWDs), Promotion of Child Rights, Community Based Rehabilitation (CBR), Community Development, Women Empowerment, Health Care, Counseling, Advocacy, Promotion of Micro Insurance, Environmental Protection, Promotion of Sustainable Agriculture and Livelihood Programs.

SMS did its first entry in Mumbai Marathon 2017. It could collect Rs 202000/- from 10 charity bibs & Rs 54401/- through direct donations on the SMS page via online. This year we are awarded with 30 bibs. The donation received last year was used for the education of disabled children, HIV/AIDS infected children and providing supplementary food for the malnourished.
