MESSAGE FROM THE PRESIDENT

I am overwhelmed with joy that Sangli Mission Society is completing 25 years of dedicated service to the humanity. 2014-'15 was a year of thanks giving and an occasion to revitalize our commitment to the poor and needy. When we look back we are happy and find enough reasons to be grateful to God and to the contributing partners.

Integral human development is the inalienable right of every human person and Sangli Mission Society (SMS) through its numerous service outlets strives to offer all possible support to every less privileged person for his/her development. We try to promote values of love, peace, justice, fraternity and human bonding as children of the one human family. It is with this holistic vision; SMS is engaged with different social and developmental activities. I take this opportunity to congratulate and thank the director, staff and all collaborators of Social & Development Action for the wonderful work they do for the less privileged and marginalized.

The upcoming year 2015-'16 brings new hopes as well as new challenges. Hence, let us welcome it with added commitment and greater confidence.

With best wishes and prayerful regards

President
Sangli Mission Society

DIRECTOR'S NOTE

It is with immense joy and gratitude I present this annual report for the year 2014-'15. It was a grace filled year for Sangli Mission Society (SMS) thanks to the Silver Jubilee Celebrations of Sangli Mission.

From its beginning SMS has stood firmly with its vision of imparting life in fullness to all human beings. It hasn't left no stone unturned since 1990 to work for the sustainable development of humanity. With much vigor and enthusiasm our predecessors have shown lot of mercy and compassion towards empowering the marginalized and exploited.

Being the social interventions of SMS were slowly poised, it could spread out mainly to four districts through its 32 centers and at present it has more than a dozen of programs and projects.

The year 2014-15 was really exciting and fulfilling for us. We continued our focus on developmental activities firmed on result based approach in disability, HIV/AIDS, women empowerment, promotion and protection of rights of children, promotion of skill development & livelihood, advocacy, protection of environment, care for the aged and abandoned and providing security through micro insurance. From the overflowing joy of Silver Years, there scaled up number of activities and blossomed many more programs like Hitguj, Ummid, Nivara and Ayushy. SMS is more committed to concentrate on skill development and issues related to climate change in the coming years.

Social & Development Action of SMS will continue to work for those who are in need of care and protection, especially the children and women.

Social & Development Action is grateful to all our donor agencies and benefactors who have supported and supporting us all throughout the years. I wish to express my sincere gratitude to the president and all the members of the Governing Body for their valuable guidance and support. I am deeply indebted to all the staff who serve in various projects with commitment, hard work and love for the poor. I humbly bow before the Almighty for His abundant blessings.

Celebrating 25 Silver Years

CENTERS

- Jeevdan Residential School & Vocational Training Center for the Intellectually Disabled, Zarap, Kudal, Sindhudurg.
- Anugraha Special School, Veral, Khed, Ratnagiri.
- Pratiksha Residential School for the Intellectually Disabled, Villavade, Lanja, Ratnagiri.
- Ashadeep Special School, Balaji Nagar, Sangli.
- Shanti Nivas Care Home for the Severely Disabled Children, Khutalwadi, Shahuwadi, Kolhapur.
- CHERISH Vocational Training & Rehabilitation Center for the Intellectually Disabled (adult male persons), Nirmaigiri, Amberi, Kudal, Sindhudurg.

CURRICULUM

Curriculum, designed in a way that all the activities in the campus are part of the learning process, aims at independence in self-help skills, academic skill development, economic rehabilitation and mainstreaming. Individual Education Program (I.E.P.) is planned out by class teachers for every child in which current level of the child is assessed and short term and long term goals are determined. Marathi alphabets, numbers, colors, good habits, basic concepts, good manners, reading and writing and general knowledge are taught.

Students with autism spectrum disorders are with different range. Teaching methods are practiced according to student's need like picture exchange, teaching method, imitation, task analysis, sensory therapy, occupational therapy, physiotherapy, play therapy, etc. Students are also provided computer and lots of audio visual aids are used for teaching purpose.

Pre-primary and primary students study Marathi, English, science, computer, drawing and coloring, etc. They also do projects related to science and general knowledge.

Physiotherapy: A residential physiotherapist attends to the daily exercises of each child to improve muscle power, balance, ROM co-ordination, muscle testing and walking aids, improve the gait pattern (make the children mobile and independent) and give amazing results in mobility and balance. This is being provided to every child every day.

Speech Therapy: Speech therapy is a clinical program aimed at improving speech and language skills and oral motor abilities. Children who are able to talk may work on making their speech clearer, or on building their language skills by learning new words, learning to speak in sentences, or improving their listening skills. Children who cannot talk may learn sign language, or how to use special equipment such as a computer that speaks for them. Children who talk but have challenges with more discreet communication issues such as facial expression or gestural language use, may work on these areas of communication.

Occupational Therapy: The occupational therapy enables the child to use his/her hands and legs effectively and profitably and make it more functional. It also emphasizes independent performance in Activities of Daily Living (ADL) with improved brain-body co-ordination.

Open Schooling

Ashadeep Special School is registered as a sub-study centre for National Institute of Open Schooling (NIOS). Three students have passed SSC from our school.

Complementary Facilities: For the wholesome development and progress of the disabled, complimentary facilities are provided such as indoor games, T.V., audio and video, outings, get-togethers and cultural programs, nutritious diet, airy and spacious infra-structure, clean, green and eco-friendly surroundings. Students also can participate in agriculture, poultry and animal husbandry according to their taste, leisure time and can feel joy in nature.

Sports & Games

A zonal sports competition was organized by Zilla Parishad Ratnagiri on 19th of December involving 10 special schools and Anugraha Special School won the championship trophy for the first time in her history. District level sports meet for children with disabilities was arranged in a row for the second time at Jeevdan on 8th Jan.2015. More than 150 Special students from six schools participated in the events. Mr Dilip Pandharpatte, CEO, Zilla Parishad Sindhudurg Inaugurated the function. Students of Jeevdan proved once more their talents by becoming the overall champions.

Picnic

A picnic for special children was arranged on 6th December 2014 at DY Patil Water Park Kolhapur by Samanvaya. Students from Jeevdan, Cherish, Anugraha, Pratiksha and Ashadeep together with their teachers participated and the students enjoyed to its maximum.

Annual Day Celebrations

Annual day was celebrated on 25th of January, 2015 at Jeevdan. Mr Vaibhav Naik, MLA, Kudal-Malvan constituency, was the chief guest. Mr. Sudhirdada Gadgil, MLA Sangli was the chief guest for the annual gathering of Ashadeep Special School conducted on 30th January 2015.

Training for Teachers

Special educators attended a capacity building workshop arranged by Samanvaya at Vishwadeepti, Kolhapur, from 12th to 14 June 2014. Six teachers attended a five day training program conducted by CHAI, Secunderabad from 9 to 14 March on grass root comics. Two teachers from Jeevdan Special School are getting trained in Diploma in Vocational Rehabilitation.

Donations

A foot mat making machine was donated by the MLA, Mr Vaibhav Naik, on his birth day and an incense stick making machine was provided by another source. Local M.P. Mr Vinayak Raut's friend circle and MLA Mr Vaibhav Naik celebrated birth days at Jeevdan. Rotary club, Inner Wheel Club and many others visited Jeevdan, spent their time with the children and made contributions for their education. The members of Lions Club Khed visited Anugraha special school to promote the green India campaign by planting trees in the premises of the special school on Independence Day.

Exposure Visits & Outreach Programs

During this academic year MSW students, a number of nursing students, D-Ed, B-Ed students and school children visited Jeevdan. Students from Medical Colleges, Management Schools, Sociology & Psychology Departments visit Ashadeep school for their project studies. Fr Joby Eapen, Mrs. Chadda and Mr B.R Kamble were invited as resource persons for the CRI seminar on CBR arranged by Bhide Mook Badhira College, Miraj. Workshops & training programs are arranged for parents & professionals. This year Ashadeep has Miss Fransiska from Germany working as a volunteer for one year, sent by a German Govt. agency.

Visits

His Beatitude Mar George Cardinal Alanchery visited all our special schools and rehabilitation centres in February 2015. On 19th of January Ms Gabriele Hardin from Texas, USA visited Anugraha special school and the students staged some cultural programs in honor of the distinguished guest.

Pre Vocational Training

Students are given pre vocational training on different skills such as painting, making craft items, cooking, envelop making, artificial flower and bouquet making, chalk making, etc. as per their aptitude. Exhibition cum sale of these products was arranged at Khare Mangal Karyalaya, Sangli, sponsored by Mrs. Shivani Patil and in the school premises during Diwali festival. From the month of December, Anugraha had an intensive vocational training program for those kids who are above 18 years old. Students in Pratiksha engage in various activities like rakhi and jewelry making. A formal vocational training centre in Jeevdan for the above 18 age group is envisaged in the coming academic year.

Disabled Day Celebration

On 3rd December 2014 Anugraha celebrated World Disabled Day with a rally in the villages to create awareness in the society on the importance of taking care of the disabled persons. On the same day, fancy dress, solo dance & sports competitions were arranged for students at Ashadeep. The prizes and certificates were awarded to winners by guest of honor Mr. Trigun Kulkarni, Deputy Collector Sangli. Jeevdan, Zarap and Pratiksha Watul too observed this day very vigorously.

Shanti Niwas Khutalwadi

Shanti Niwas, Supatra, Khutalwadi is a home for the severely handicapped children who are bedridden with multi disabilities like mental retardation, cerebral palsy and other concomitant impairments related to orthopedic, speech, visual and hearing. There are ten such children in Shanti Niwas home from different parts of Kolhapur who are mostly bedridden. These children are in this humble situation due to many reasons like chromosomal abnormalities, premature birth, difficulties caused after birth, poor development of the brain or spinal cord, infections and genetic disorders. The parents of the children find it very difficult to look after their children when they go for work since they are daily wagers.

CHERISH, Amberi

CHERISH has envisaged an agro based vocational training curriculum for the training and rehabilitation of the special adults. For this purpose the center has established an organic farm, organic manure and pesticides production unit, vermin compost production unit, dairy farm, poultry farm, rubber, coconut, banana and cashew plantation with different kinds of vegetables. Special adults participate in the vocational training programs according to each ones intellectual competence, physical fitness and area of interest.

AASTHA CBR was started in 2010 for the rehabilitation of the differently abled and the prevention of disability, in Sangli district of Maharashtra State, India. The project area consists of 10 villages; out of these five villages are in Miraj taluka, three in Tasgaon taluka and one each in Kavathe mahakal and Palus taluka of Sangli district. AASTHA identified 1100 disabled persons in ten villages. Child marriage and immature age of motherhood, lack of pre-natal and post natal care, prolonged or chronic malnutrition, use of excessive chemical fertilizers and pesticides in agriculture and horticulture, attempted abortions, alcoholism and drug addiction, consanguineous marriages, etc. are the major reasons for the occurrence of disability. AASTHA has stipulated various activities under different components as per CBR matrix to achieve the objective of rehabilitating the differently abled and preventing disability. Following are the highlights of 2014-15.

A. Health & Nutrition

- Nutritious food was provided to 380 special children at 10 CBR Centers.
- Yoga training to 102 children.
- Regular physiotherapy is provided to 85 children.
- Consistent medical support is given to 35 needy special children.
- Hearing aid was provided to 20 children.
- Provided CP chair to seven children.
- 596 patients were examined in four medical camps by doctors from St. John's Hospital, Bangalore.
- Conducted corrective surgery on 59 persons to improve mobility and vision.
- 206 pregnant ladies and nursing mothers were provided with nutritional support.

Case Study Swati Sagare Kumbhar

Swati a seven years old girl from Alte village had deformity with both her legs. she was not walking or could not stand alone. She was always in sitting posture and used to drang in side the house. Parents of Swati had lost hope could not believe that she would walk normal like other children.

Hearing the success stories of corrective surgery her parents brought her to the medical camp and the doctors advised further investigation at St. John's, Bangalore and probably corrective surgery.

Swati was taken to St. John's, Bangalore and after routine check-up and tests corrective surgery was done. After a month the plaster was removed and gave gaiters, splint and supportive shoes. Doctors advised for regular physiotherapy. With sheer determination, patience and dedication Swati is able to stand without support and walks with the help of tri-cycle. With continuous physiotherapy Swati would be able to walk and run without any support very soon. Thank to all who made it possible!

- Increase of income by 1500 to 3500 per month.
- 23 Disabled youth have become economically independent by earning 1000 to 3000 per month.

Case Study

Usha

was finding it very difficult to manage the house because of the socio-economic condition and with the medical expenses of the special child. The income she earned from daily wages was not sufficient to sustain the family. She used to borrow money from money lenders. Father of Anuj did not care for the family and blamed the mother for having a disabled child. Usha Patil an active member of Self Help Group got support from AASTHA to purchase a buffalo as an additional source of livelihood. Purchasing a buffalo brought a change in their life. By selling milk to local dairy she earned Rs 3000 additional income. Now she doesn't extend her hands before others for money. She is able to manage the house by herself. Anuj also helps the mother in looking after the buffalo.

D. Empowerment

Conclusion

During 2014-15 the AASTHA CBR got very good support from the Gramphanchayats and other government departments like education, health, social welfare, etc. In two villages the Gramphanchayats have started to give material for providing nutritious food to differently abled children. Milk Cooperative societies provided milk to differently abled children at CBR centres. Mr. Rahul Jadhav owner of DL cold Storage, Kavtheakand, contributes for the nutritious food for the children of Kumthe village.

Health workers and paramedical workers serve as resource persons for awareness program for pregnant ladies and nursing mothers. The school authorities helped the project by providing infrastructure for annual gathering and to organize rally on World Disabled Day. Local NGOs and individual donors also supported the project by providing infrastructure for cultural activities, by providing nutritious food to children on festivals and religious occasions and extending their free service on many occasions. Ashtvinayak Mitra Mandal of Nandre village distributed clothes to the children.

Sangli Mission Society started working for HIV infected and affected people in early 1990s and this program got institutionalized under the banner - DILASA by 2004. It is catering the needs of PLHIV (Persons living with HIV/AIDS) in two ways as Institution Based Rehabilitation (IBR) and Community Based Rehabilitation (CBR).

Dilasa Bhavan, Miraj

The activities conducted in Dilasa Bhavan are after the model of Institution Based Rehabilitation (IBR).

Dilasa Bhavan serves as a hostel for the HIV/AIDS infected girls & boys who are single/double orphan. This centre provides the children with all the facilities related to their education, medication, health and food expenses free of cost. Those children who have completed class 12 are sent to higher studies according to their intellectual capacity and interest. The children enjoy in a very spacious and luxurious building and airy campus. Together with curricular activities co-curricular activities too are given importance to ensure holistic growth of children. Children can also participate in gardening, farming, animal husbandry, poultry, crafts making, etc to enhance their skills as well as to free their mind from other distractions and tensions. On December 1, 2014 World AIDS Day was celebrated with colorful programs. A medical camp was organized for the children by Bharati Dental medical college on 12 December 2014.

Nirmal Sadan, Amberi, Sindhudurg

Nirmal Sadan is a hostel for girls who are in need of special care and protection. The institute is managed by Medical Sisters of St Joseph. Girls from poor family back ground, HIV affected, semi orphans, etc. are admitted here. This year there are 20 girls in the hostel with four new admissions. For schooling they go to the schools nearby and get special coaching in the hostel. They are provided with healthy food and medical support. The institute has sent one girl for BCA, two for nursing and one for D. Ed in special education. Nirmal Sadan aims at the holistic development of these children and is well appreciated by the public.

Dilasa Counselling & Support Centre, Kolhapur

The activities conducted in Dilasa Kolhapur are after the model of Community Based Rehabilitation (CBR).

1. Supplementary food distribution

Quarterly distribution of supplementary food contains pulses like shengdana, gud, khajur, soyabean, suji, mug, matki, rajgira ladu, etc to improve the CD4 count of the children. Innerwheel Club of Kolhapur and Rotary Club of Horizon joined this venture from this year.

9. Hospital Visits

We keep splendid rapport with all ART centers and ICTC departments in the city and district. It helps us to serve our target group better with counseling, ART, CD4 test, medical reports and diagnosis. **92 visits** have been made by the out reach workers to various hospitals like Chatrapati Pramila Raje Hospital (CPR), Panchganga Hospital, D.Y. Patil Hospital Kolhapur; Indira Gandhi Memorial (IGM) Hospital Ichalkaranji, Sub District Hospital (SDH) Panhala, Sub District Hospital (SDH) Radhanagari, Sub District Hospital (SDH) Shahuwadi, Sub District Hospital (SDH) Kagal and Sub District Hospital (SDH) Gadhinglaj.

10. Commemoration of World AIDS Day & Awareness Creation

DILASA Kolhapur celebrated World AIDS Day (WAD) together with DAPCU. In connection with WAD week DILASA organized get together of PLHIVs and CLHIVs and provided the children with supplementary food. This week also provided us with lot of other opportunities to distribute IEC materials to create awareness among people on HIV/AIDS.

Women empowerment through the formation and strengthening of Self Help Groups (SHGs) began at the onset of unprecedented flood which shook Western Maharashtra in 2005. A sapling which was planted this year has become a tree by 2015 and it has extended its roots and branches in 157 villages covering four districts with 650 SHGs with a membership of 13000 and 6, 50,000 rupees of monthly saving. Sangli Mission Society sees Self Help Group (SHG) as a fine tool for holistic development in the rural villages because it can surely create ripples of development in the villages. Together with SHG formation, several activities like rural survey, Below Poverty Line (BPL) family survey, register training, linking with nationalized banks, various skill development training, linking with various government schemes, training on income generating activities, health camp, blood donation camp, micro insurance, advocacy, etc are conducted.

1. Rural Baseline Survey

We have conducted 116 rural baseline surveys in Kolhapur and Sangli districts to understand real grass root situation and needed social work intervention. Aim of the survey was to understand about type of land, agriculture, socio economic condition, education, health, know-how on availability of government schemes, general information about local resources and observation of the village. Survey reveals that villages are backward and need more social work interventions.

Findings of the Survey

- ✓ Men outnumber women in most of the villages.
- ✓ Villages struggle with their basic needs like drinking water, road, hospital, toilet, sanitation, etc.
- ✓ There are opportunities to form more SHGs in villages.
- ✓ Traditional method of cultivation is continued while agriculture is main source of income.
- ✓ Almost all the children are attending school.
- ✓ Disabled children are in need of care and support.
- ✓ Below Poverty Line families are in need of various support to avail different schemes from government.
- ✓ Gender inequality is an issue to be addressed.

Outcomes of the survey

Built rapport with 116 Gram Panchayats.

Identified 36 malnourished children.

Identified 90 special children.

Identified 177 physically disabled people.

2. Below Poverty Line (BPL) Family Survey

BPL Survey is an outcome of Rural Baseline Survey. We have conducted 1864 BPL family surveys in Kolhapur, Sangli and Sindhudurg districts.

Objectives of the Survey

- To understand the socioeconomic condition of BPL families
- To create awareness on various Government schemes among people
- To find out eligible beneficiaries

Staff Gathering - Dec. 2014

Sangli Mission Society runs various projects and programs for the development of children and protection of their rights

a. Childline

Childline is a 24 hour toll free phone service for the children in need of care and protection from the Ministry of Women and Child Development (MWCD), Government of India. In 2011 Sangli Mission Society started to work as a Collaborative Organization for Kolhapur city.

Open House

Open House is an activity conducted with children to educate them on Childline activities especially 1098 toll free number. It helps the team members of Childline to understand various issues faced by the children and slowly they can open up their mind as they establish rapport. Childline Kolhapur conducted **12 Open House** activities in different areas of the city with slum children, school going and non-school going children.

CL also organizes drawing competition, school awareness, come and play activity, children party, blood donation camp, Childline awareness rally, etc. to make people aware about Childline.

Case Study

Anil, a 17 years old boy was brought in by CL team to civil hospital for check up and treatment after they noticed he was highly under the influence of drugs. His mother used to sell petrol at home due to her financial burdens and somehow child got addicted to it and in case if he couldn't find petrol at home he used to steal from vehicles on the road. Child was produced in front of CWC and with tiring efforts CL got admitted him for three months in a De Addiction Center run by Sahyogi Parivartan Sanstha, Satara. When Anil returned back home he was totally changed and the villagers exclaimed saying: **'It is a miracle'**. CL motivated Anil and sent him to Montfort Integrated Education Center, Nagpur for six months for vocational training. He has successfully completed that too and looking forward to complete class 10 exams soon.

Aflatoun Club

Students with the help of Aflatoun facilitators form Aflatoun Club in every school. It has a President, Vice-President, Secretary and Treasurer elected democratically. Any student invariably gets a chance to become member of this club. Students concentrate on five core indicators of Aflatoun program through the formation of this club. Students come together on every Saturday to discuss on various issues related to School, village and about themselves. If there are any issues pertaining to their capacity they discuss it with teachers/facilitators and find out a solution. This exercise gives an opportunity for the students to become more self-aware, innovative and good decision makers.

Aflatoun Bank

Aflatoun bank is part of Aflatoun club. Aim of this activity is to provide the students with financial education; how to save and when to spend. This club too has a President, Vice-President, Secretary and Treasurer elected democratically. Every student is free to join this bank. Students have the option to save Rs 1 – 10/-. Those students bring more than Rs 10/- in cash for deposit have to provide ample reasons to the President and Treasurer for the aim of Aflatoun bank is not to save huge amount of money but inculcate habit in the students in saving and responsible spending. Students can withdraw money any time provided they have valid reason. Teacher helps the students of the Aflatoun club as an observer.

Case Study

Supriya is a disabled girl, only daughter of her parents from the village named Ainwadi. Her parents are daily wagers. She is a very confident and outgoing girl eventually had to drop out of school since her parents had no time to accompany her to school. One of the Aflatoun club members identified the issue of Supriya and discussed it in club meeting. After the meeting they went to School office to discuss this issue with their teachers. As guided by one of the teachers all Aflatoun club members visited Supriya's home and requested her parents to send Supriya to school. Supriya's father said, "We wish to educate our daughter, but we are unable to help her". One of the club members informed their decision; **"Kaka we are here to help you only, we have decided to carry Supriya every day to school and will bring her back home"**. It was a tearful moment. Now Supriya attends school daily thanks to the courageous decision of Aflatoun club members. Students proved everyone that they can shoulder social responsibility.

Case Study

Aflatoun teacher while explaining about entrepreneurship at Vidyamandir Ambavade, Panhala enkindled the students an idea of Children Market. Teacher also explained them about profit and loss in business. Students were excited to participate in it under the leadership of Aflatoun club. On the decided day students carried with them vegetables, fast-food, fruits, grocery, etc. within no time people including Sarpanch and Gram Panchayat members flocked in and started buying things from students to encourage them. All the items were sold out within an hour. Sarpanch appreciated the bargaining skill of students, teachers and Aflatoun club members for taking this innovative step to inculcate social entrepreneurship among the students.

c. UMMID
